

Lidia Książkiewicz is titulair organist van de kathedraal Notre-Dame in Laon (F). Zij bespeelde het Bussumse Steinmeyer-orgel in 2016 en 2017. In 2017 speelde zij de *Prélude, Fuge et Variation - Cantabile - Pièce Héroïque - Grand Pièce Symphonique* van César Franck (1822-1890). Książkiewicz: "This was the first time I played these pieces for organ together in one concert. The Steinmyer-orgel is a wonderful instrument for this music. It is inspiring, and for an organist, it is much easier to play on an organ which does exactly what you want it to do."
